Chapter 1 by Fanwizard

Silver, shining brighter than the stars
Pale enough to stand out in the midnight blue sky
Just a sliver of her showed,
peeking out from between the constellations
But it was enough
for all her admirers to gaze in wonder
Shy to show herself in the day
but brave enough to appear at night
A quiet beauty
She changed constantly
sometimes completely vanished
but always there
watching from above
even if no one could always see her
Mysterious and strange
Beautiful and frosty

Ageless and old

Serene and ablaze

Luminous and angelic

Untouchable and infinite

She is Luna
